Who We Are

Our Mission
We advance quality public education for all students by providing charter school authorizing professionals with the support, resources, and collective voice necessary to foster high-performing, fiscally sound, autonomous, and accountable charter schools.

Our Work
Support the hundreds of school districts and county offices that authorize charter schools with a strong, collaborative network of professionals that provide expertise, high-quality resources and support. Through our members we are committed to the implementation of best practices in charter school authorizing and oversight throughout California.

Our Focus
We are charter authorizing professionals for charter authorizing professionals. Our grassroots approach enables us to clearly understand how to best strengthen authorizing practices. We provide a collective voice for all authorizers in the field.

Our Board
Our board consists of professionals from districts and counties throughout California with deep experience in charter authorizing and oversight. Collectively, our decades of experience include the oversight of hundreds of charter schools. Our expertise encompasses all aspects of charters; educational programs and student achievement, charter governance and operations and fiscal oversight.

**Organizer Members**

An organization may join CCAP to provide access to CCAP benefits to its authorizing staff, superintendent and board. Organizational dues are based on the number of schools authorized by the district, county or state department of education, as described below. Organizational members have access to CCAP's full suite of benefits.

**Associate Memberships**

**Organizational Associate Members**

Non-authorizing entities may join CCAP as organizational associate members. These groups include other education non-profits, law firms, and other entities interested in advancing high quality charter school authorizing. Through this membership, they have access to most CCAP services and products. The dues structure for this member category is:

<tr>
<td>Organizations with 16+ Employees: with member benefits extended to 10 employees</td>
<td>$1,750</td>
<td></td>
</tr>
</tbody>
</table>

**Individual Associate Members**

An individual may join as a CCAP associate member for an annual rate of $250. Individual associate members must either be independent practitioners or consultants with no current affiliation to an established organization, or a former CCAP authorizer member that no longer works as an authorizing professional but seeks to stay engaged with the organization. Individual associate members have access to most CCAP features.
