

Announcing the CCAP California Charter School Authorizer Conference

COMING MARCH OR APRIL 2022
LOCATION TBD

CCAP is reaching out to organizations that support high quality charter school authorizing and oversight to join with us as we plan this very important conference!

CONFERENCE HIGHLIGHTS

- Implementing new provisions of charter laws
- Making the most out the two-year pause on renewals to strengthen authorizing processes
- Measuring academic progress post COVID-19
- Tools to ensure charter schools are appropriately serving English learners and students in special education
- New Independent Study rules
- Using New CCAP/WestEd Toolkits; Charter Petition Reviews, MOUs, Annual Charter School Accountability Reports, and Charter Renewal
- Special session for district and county school board members
