## Stand-alone Preconference! Charter School Authorizing and Oversight 101

The state-supported Charter Authorizer Support Initiative (CASI) presents a stand-alone preconference training designed especially for those who are new to authorizing or who could use a refresher. Last year's Charters 101 Preconference received very favorable feedback from grateful participants.

Join us for two half-day sessions, Tuesday afternoon, June 13, and Wednesday morning, June 14, for only \$50. Come just for the Preconference if you like, or register for the full conference too and start out with the Preconference overview.

*Special offer for small authorizers:* Reimbursement for Tuesday night's lodging is available to the first 30 Preconference registrants from school districts or county offices of education whose authorized charter schools have a combined enrollment of 1,500 or fewer students.

## Registration fees:

Non-member rate:	\$650
CCAP Member rate:	\$550 (Note: all SSDA members are CCAP members too)
CCAP Member group discount:	With each three registrations, purchase a fourth at half price!
Preconference fee:	\$50 (stand-alone event; discounts not applicable)
