If your district or county office is small and/or rural, and if it's a charter school authorizer, odds are you have limited time, staffing, and resources to fulfill your oversight responsibilities. So where can you get help?

Come to the free [Charter Authorizer Support Initiative \(CASI\)](#) Quarterly Training in April!

Register for a training:

More and more school districts and county offices are plugging into CASI, an initiative funded by the California Department of Education and implemented by the California Charter Authorizing Professionals and the Santa Clara County Office of Education's Charter Schools Department. Join us!
