

ARE YOU READY?

Free in-person training!

California's 2026 education omnibus budget **trailer bill (AB126)** introduces significant changes to charter school oversight, accountability, auditing, funding, attendance reporting, and authorizer responsibilities.

These changes represent one of the most comprehensive updates to California's charter oversight framework in years and will affect charter school authorizers, charter schools, auditors, county offices of education, and other education partners.

FRIDAY

OCT 30, 2026
9 AM to 3 PM

Limited to authorizer staff and board members

9-12: Charter Authorizing & Oversight 101

12-3: New trailer bill requirements

Attend one or both sessions
