

# ARE YOU READY?

## Free in-person training!

California's 2026 education omnibus budget [trailer bill \(AB126\)](#) introduces significant changes to charter school oversight, accountability, auditing, funding, attendance reporting, and authorizer responsibilities.

These changes represent one of the most comprehensive updates to California's charter oversight framework in years and will affect charter school authorizers, charter schools, auditors, county offices of education, and other education partners.

**FRIDAY**  
**NOVEMBER 6, 2026**  
**8:30 AM to 12:30 PM**

## LOCATION

Sutter County Office of Education  
970 Klamath Lane  
Yuba City, CA 95993

## WHAT WE'LL COVER

Key changes affecting charter school oversight

What authorizers need to know

Fiscal considerations and oversight responsibilities

Practical perspectives from experienced charter school authorizing professionals

Questions and discussions about implementation—and a takeaway implementation tool
